

Oasis Draco

The Draco porcelain vessel sink offers a unique, modern look for any bathroom. It is made from true vitreous China, which is triple glazed and triple fired to ensure your sink is durable and strong. Because this sink is a vessel, no mounting hardware is needed. Vessel sinks require a special spring-loaded pop-up drain, which we offer in a variety of finishes to fit your décor. As always, our porcelain sinks are covered under a limited lifetime warranty for as long as you own the sink.
